

# Edgewater Apartments

## Centre Post Pacifica Umbrella

Edgewater Apartments is a multi storey development located on the Eastern Beach foreshore in Geelong. The development has a retail complex on the ground floor with a paved seating area in front of each tenancy.

To complete this alfresco dining area it was proposed to install eleven, 4 metre square umbrellas along the forecourt to compliment the building design and provide protection for the outdoor seating areas.

Each umbrella is fitted with spot lights to create a strong visual focus and electric heaters have been added to some units for added comfort during the cooler months.

**Client:**  
Solid Investments Australia

**Location:**  
Geelong, Vic

**Date of Completion:**  
November 2009
