

Fusion Youth Housing

Side Post Pacifica Umbrella

Fusion Youth Housing required shade over a picnic table within the central courtyard at the respite house in Moorabbin.

Initially they were anticipating putting a shade sail on four post to over the area, however, it was not viable to position posts in locations which were suitable to the functionality of the area.

Hence a 4.8 metre side post Pacifica umbrella which required only a single post turned out to be the ideal design solution. They were very happy with the look of the umbrella as well.

Client:
Fusion Youth Housing
