

Lite n' Easy Pacifica Umbrellas

Lite n' Easy established a new manufacturing facility in Carrum Downs, Vic which was completed in January 2010. As part of these works an outdoor seating area for the staff was built next to the canteen.

To provide a mix of shade and unshaded areas it was decided to install two hexagonal umbrellas which are mounted onto the precast concrete walls. This allows for clear access under the umbrellas for the placement of the tables and chairs.

Client:
Lite n' Easy
