

Longwarry BP Service Station

Side Post Pacifica Umbrella

As part of the development of a new service station complex on the Princes Highway two outdoor seating areas were installed. To provide protection for these areas it was proposed to install two 5.6 metre x 5.6 metre side post umbrellas over each table.

This facility was incorporated with each service centre and the units were bolted to the reinforced concrete slab that was constructed in each area.

Client:

Longwarry Eastbound Pty Ltd

Location:

Longwarry, Vic

Date of Completion:

February 2008

Product Type:

Pacifica Umbrella

Fabric Type:
