

Minaret College

Shade Sails

Shade Living designed and installed a linear run of 9 hypar (twisting) shade sails over a large bitumized courtyard / pedestrian thoroughfare between two of the main buildings located centrally within the school grounds.

The sails provide a substantial area of shade coverage for the students as well being a significant visual uplift to the area.

Client:
Minaret College

Location:
Springvale

Date of Completion:
November 2010

Product Type:
Shade Sails

Fabric Type:
Synthesis Commercial 95
shadecloth

Steel Finish:
Pre-galvanised with a
powdercoated finish.

Scope of Works:
Design
Engineering
Manufacture
Project Management
Installation

Area of Coverage:
126 square metres (approx)

Function:
Shade protection within
school courtyard
