

Minifie Park Early Childhood Centre Pacifica Umbrellas

The City of Boroondara completed a major redevelopment of an existing childcare facility to cater for the increasing demand in the Balwyn area.

The facility was enlarged to accommodate four age groups and as part of the works new landscaped playground areas were designed with sand pits and play areas.

To provide shade protection for the various areas five side post Pacifica umbrellas were specified by the Landscape Architect due to the broad coverage that could be provided by a single supporting column.
