

# Plum Garland Reserve

## Pacifica Umbrellas

Plum Garland Reserve on the beach at Albert Park was upgraded and a new playground area installed to cope with the growing demand from the local residents. As part of these works Shade Living installed two umbrella structures over seating areas.

Due to the exposed location the umbrellas and the footings were engineered to cater for severe weather conditions.

**Client:**  
City of Port Phillip

**Location:**  
Albert Park

**Date of Completion:**  
January 2013

**Product Type:**  
Pacifica Umbrellas
