

Turner Street Kindergarten

Side Post Europa Umbrella

The Turner Street Kindergarten were seeking shade over a paved entry area to the front of the centre where parents gather whilst picking up children. Given the limitations in installing posts within the area a side post Europa umbrella was an ideal design solution.

The umbrella provides excellent shade coverage over the area and the kindergarten chose a vibrant lime green colour scheme for the shade cloth canopy which provided a lively and eye catching addition to the front of the centre.

Client:
Turner Street Kindergarten

Location:
Pascoe Vale, Vic

Date of Completion:
November, 2010

Product Type:
Side post Europa umbrella

Fabric Type:
Monotec 370 Series
shade cloth

Steel Finish:
