

# Yarrabah School

## Fence Infill Panels

Yarrabah School had a children's play area adjacent to the car park and as a result was quite exposed and lacking privacy.

The school therefore requested that we install shade cloth infill panels to approximately 28 linear metres of existing cyclone fencing. The fencing is approximately 3 metres high.

The panels were laced to the fence with cables ties thorough eyelets around the perimeter of the panels.

**Client:**  
Yarrabah School

**Location:**  
Aspendale

**Date of Completion:**  
March 2012

**Product Type:**  
Fence infill panels

**Fabric Type:**  
Synthesis Commercial 95

**Steel Finish:**  
n/a

**Scope of Works:**  
Design  
Engineering  
Manufacture  
Project Management  
Install

**Area of Coverage:**  
85 square metres (approx)

**Function:**  
Privacy screening and wind protection to play area
